

Hiral Chauhan

Bharuch, Gujarat -392001

93130 89962

hiralchauhan150203@gmail.com

Professional Summary:-

Detail-oriented and motivated fresher with strong exposure to Data Validation, Input Operations and Data Quality Checks aligned with processes. Experienced in executing production tasks, statistical checks and root cause analysis to ensure clean, accurate and trend-able data for client insights. Hands-on with Python, SQL, Excel Macros and basic automation, with interest in applying Machine Learning and AI techniques to improve data quality, efficiency and on-time delivery in cross-functional, onshore-offshore environments.

Skills:-

Technical Skills:

- Microsoft Power BI (DAX Query, BI Report)
- Advance Excel (VLOOKUP, HLOOKUP, Conditional Formatting, Pivot Tables)
- Programming Languages: C++, java
- SQL (SQL Server, MySQL, PostgreSQL)
- Python(Pandas or Numpy)
- Web Development: Bootstrap,HTML, CSS, JS ,php
- OpenCV,NLP,Langchain computer vision (Artificial Intelligence)
- Scikit-Learn(Machine Learning)
- TensorFlow,PyTorch Neural Networks (Deep Learning) Matplotlib,Seaborn

Interpersonal Skills:

- Communication
- Problem Solving
- Analytical Thinking
- Teamwork

Projects:-

Deepfake Video Detection(2025)

- Developed a deepfake face detection system using the Celeb-DF v1 dataset and deep learning models.
- Implemented MTCNN for face detection and dlib for facial landmark alignment across video frames.
- Evaluated Efficient NetB0, ConvNeXt Tiny, and Xception models using accuracy, precision, recall, and F1- score.
- Delivered a scalable offline framework contributing to research in multimedia forensics and deepfake verification.

Car Sales Dashboard | Advance Excel |(2025)

- **Developed an interactive Excel dashboard** to track and analyze car sales performance using Pivot Tables, Charts, Slicers,and Conditional Formatting.
- **Visualized key metrics** including total sales trends, model-wise contributions, and salesperson performance for better business insights.
- **Implemented dynamic reporting and data segmentation** to enhance decision-making and deliver automated, data- driven summaries for management.
- Automated repetitive validation tasks using Excel Macros to improve efficiency.

Tech Gear Manufacturing | Power Bi| (2025)

- **Developed an interactive Power BI dashboard** to monitor manufacturing performance, production efficiency, and profitability across multiple plants.
- **Visualized KPIs and KPI Tracking (Data Accuracy)**such as total units produced, defect rate %, stock-in/out, and total profit using bar, line, and scatter charts for actionable insights.

- **Implemented dynamic filtering by region, date, and shift** to compare factory performance and identify areas for process improvement.
 - **Delivered a data-driven reporting solution** that enhanced operational visibility and supported strategic decision- making.
 - Executed input data quality checks and validations to ensure accurate and reliable datasets.
 - Performed statistical checks, trend analysis and root cause analysis for data anomalies.
 - Supported sample maintenance activities and data setup validation
-

Work Experience:-

Internship – NEOTECH SOLUTIONS

Internship in the field of Web Development Intern | Time duration: 2 month(2024)

- Developed responsive web applications using Bootstrap, PHP, JavaScript, and jQuery, with a focus on front-end and backend integration.
- Worked with XAMPP to manage databases and connect MySQL to dynamic web pages, ensuring efficient data handling

Internship - Cloud infosoft

Internship in the field of Web Development | Time duration: 15 Days(2023)

- Worked on HTML, css and also work on Agile Methodology.

Internship – TECHOMAX

Internship in the field of html/Css | Time duration: 1 week(2022)

- Worked collaboratively with senior developers to understand the fundamentals of web development, including HTML tags, CSS selectors, and responsive design principles.
 - Practiced implementing design changes to improve webpage structure and user experience.
-

Certificates:-

Data Analytics - Weltec Institute	Data science – Weltec Institute
Data Analysis – Skillshop(Google Analytics Certification)	AI Tools – Be10x
Data Analytics- Oneroadmap, Deloitte., Tvtv(Forage)	AI and Data scientist – Oneroadmap

Education:-

Bachelor of Computer Science Engineering -Shroff SR Rotary Institute of Chemical Technology	2021-2025
--	-----------

SPI - 8.79%

CGPA - 8.11%

Personal Details:-

Hobbies

Birth date : 15 February 2003	Graphic Design
Nationality : Indian	Travelling
Language know : Gujarati, Hindi, English	Photograph
